1. Claims 1-23 are allowed.
2. The following is a statement of reasons for allowance:

Applicant's arguments, filed 9/22/03, with respect to claims 1-20 have been fully considered and are persuasive.

Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest either alone or in combination, preferentially communicating requests for bids related to the description of the job from a given ACU only with other ACUs of the list of potential bid request receivers, and determining which of the processing devices is appropriate for contacting in relation to possible handling of jobs.

***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
